MINUTES OF THE MERRIMACK COUNTY DELEGATION

**MERRIMACK COUNTY PUBLIC HEARING
AND DELEGATION MEETING
Administration Building
Concord, New Hampshire**

March 11, 1977

A meeting of the Merrimack County Delegation was held in the County Administration Building at 1:30 p.m., March 11, 1977. The following listed Representatives were present: James L. Foley, William F. Kidder, James V. Bibbo Jr., John P. H. Chandler, Jr., Susan W. Pelton, David B. Packard, Irene J. Shepard, Richard D. Hanson, Bernadette O. McNichol, Laurent J. Boucher, Judith Ann Hess, Ovila Gamache, Kenard F. Ayles, Kenneth E. Stockman, John O. Cate, Donna T. MacIvor, George R. Mullin, James A. Humphrey, Arthur H. LaBonte, Eugene S. Daniell, Jr., Katherine J. Ralph, Stuart B. Trachy, Steven A. Stefanides, Polly B. Johnson, Susan N. McLane, Max D. Wiviott, Kenneth M. Tarr, Arthur W. Perkins, Wayne S. Rich, Maura Carroll, Ernest J. Valliere. Absent: Representatives: Doris J. Riley, Edgar G. Bellerose, Mark M. Bodi, Robert E. Plourde, Edwin L. Waters, Doris L. Thompson, Milton A. Cate, Robert J. Watson, G. Robertson Blakeney, Harold L. Rice, Charles E. Pratt, and Gerald R. Smith.

Chairman Kidder officiated.

MOTION: Rep. Chandler moved that the Public Hearing on Use of Revenue Sharing Funds by Merrimack County be held at this time. Rep. LaBonte seconded. **MOTION CARRIED.**

The Public Hearing regarding use of revenue sharing funds was conducted by Chairman Kidder. Coordinator Rodney E. Tenney explained the new regulations and the proposed use of the revenue sharing funds. The Public Hearing was closed.

MOTION: Rep. LaBonte moved, Rep. Boucher seconded the adoption of the Merrimack County Budget Resolution as recommended by the Executive Committee. (Budget Resolution attached)

The Chairman explained the procedure: The whole budget

would be discussed item by item and then the budget would be voted upon as a whole.

MOTION: Rep. Daniell, Jr. moved, seconded by Rep. Ralph that the Administrator's salary at the Nursing Home be increased to \$21,000.

On roll call vote 13 yeas, 14 nays, MOTION LOST.

YEAS: Pelton, Hanson, Gamache, Mullin, LaBonte, Daniell, Ralph, Trachy, Stefanides, McLane, Wiviott, Tarr, Valliere.

NAYS: Foley, Bibbo, Chandler, Packard, Shepard, McNichol, Boucher, Hess, Ayles, Stockman, John Cate, Johnson, Rich, Carroll.

MOTION: Rep. Daniell Jr., moved seconded by Rep. Trachy that the Administrator's Salary at the Nursing Home be increased to \$20,500.

Rep. Hess amended the motion, seconded by Rep. LaBonte that the Administrator's Salary at the Nursing Home be set at \$20,000. Limited debate was called for by Rep. Boucher, seconded and voted in the affirmative. Roll Call vote was called for on the amendment. MOTION CARRIED. yeas 19, nays 8.

YEAS: Foley, Bibbo, pelton, Packard, Hanson, McNichols, Hess, Gamache, Ayles, Mullin, Humphry, LaBonte, Daniell, Ralph, Stefanides, Wiviott, Tarr, Carroll, Valliere.

NAYS: Chandler, Shepard, Boucher, Stockman, John Cate, Johnson, McLane, Rich.

The original motion as amended carried on voice vote.

MOTION: Rep. Chandler moved, seconded by Rep. Humphrey that under the Corrections Department (item 11, page 3 of the Budget Resolution) Personel \$197,763 reduced by \$8,945.56, Operating Expense \$41,692 be reduced by \$3,000. Rep. Trachy requested limited debate seconded it was voted in the affirmative. MOTION LOST.

MOTION: Rep. Chandler moved, Rep. Humphrey seconded that Nursing Services (item page 4, d.) \$1,027,473 be reduced \$5,000.

Rep. Boucher requested limited debate, LaBonte seconded, Vote carried. MOTION LOST.

MOTION: Rep. Chandler moved, Rep. Humphrey seconded that the Chairman of the Commissioner's salary be changed to \$3,000. MOTION LOST.

MOTION: Rep. Chandler moved, Rep. Humphrey seconded (item 20, page 6) Salary Increase of \$40,000 be cut to \$20,000.
MOTION LOST.

The Budget Resolution as amended was adopted on voice vote.
MOTION: Rep. Chandler moved, Rep. Humphrey seconded the adoption of Resolution allocating Revenue Sharing Funds for Calendar Year 1977 as follows:

Be it resolved that the revenue sharing funds available to Merrimack County be allocated in the 1977 budget as follows:

Administration Building Debt Service	\$50,000
Nursing Home Addition Debt Service	50,000
Social Service grants	50,000
Corrections Department Salaries	<u>58,000</u>
	\$208,000

MOTION: Rep. Chandler moved, Rep. Humphrey seconded the Resolution Obligating Antirecession Fiscal Assistance Aid as follows:

Be it resolved that the amount of \$1,327 received by Merrimack County under the provision of Title II of the Public Works Employment Act of 1976 and any further receipts received under these provisions be obligated for use in support of salaries paid to current positions in the Merrimack County Welfare Department.

Resolution adopted on voice vote.

Rep. Hess inquired into the action of the Space Committee. A brief report was given by Rep. McLane and Coordinator Tenney. Administrator Robert F. Lethbridge and Richard Cadarette informed the delegation on the Merrimack County Home construction project.

MOTION: Rep. Bibbo moved, Rep. Stefanides seconded that the Chairman appoint a committee to study the feasibility of solid waste disposal on a County-wide basis. MOTION CARRIED. Rep. Stefanides suggested to the Chairman that next year's delegation meetings on the total budget be held in the evening rather than the afternoon.

MOTION: Rep. Chandler moved, Rep. Humphrey seconded

adjournment.

Meeting adjourned on vote 4:10 p.m.

Polly B. Johnson,
CLERK

**MERRIMACK COUNTY DELEGATION MEETING
State House, Room 105
Concord, New Hampshire**

June 29, 1977

A meeting of the Merrimack County Delegation was held at the State House in Room 105 June 29, 1977 at 9:30 a.m. Formal attendance was not recorded but a large attendance was present.

Chairman William Kidder officiated. He called upon Peter Spaulding, Chairman of the commissioners, to explain the need for calling a meeting.

Chairman Spaulding said that the Commissioners would like the approval of the delegation of a plan, work of which would be put out to bid, to improve the woodland in Boscawen.

After discussion:

MOTION: Representative Milton Cate moved, Representative Wayne Rich seconded that the Merrimack County Board of Commissioners be authorized to sell approximately 125,000 board feet of mature timber located on county property in Boscawen and that in addition to funds otherwise appropriated the amount of \$4,000 be appropriated, \$1,000 from County funds and \$3,000 from the federal Forestry Incentive Program, for the purpose of thinning hardwood pole stands on said property. **MOTION CARRIED.**

Meeting adjourned at 9:45 a.m.

Polly B. Johnson,
CLERK

MERRIMACK COUNTY DELEGATION MEETING
County Administration Building
Concord, N. H.

December 16, 1977

A Public Hearing was held at the Superior Court Chambers December 16, 1977 convening at 2:15 p.m. with Chairman Kidder of the Merrimack County Delegation presiding. He read the Public Notice.

Commissioner Chairman Peter Spaulding gave a Budget Report for 1978 from the Commissioners.

Commissioner Spaulding cited two major items of concern:

- 1.) Proposed recommendation of \$112,000 salary increases for 1978 to bring County salaries in parity with State Employees and elected officials.
- 2.) Board of Commissioners recommended \$50,000 for new court facilities.

Commissioner Spaulding read into the record a letter of December 14, 1977 from Judge William W. Keller regarding the need for court facilities.

Considerable discussion ensued in reference to the needs of various departments with Merrimack County. There was also public concern registered on the continuous property tax escalation for Programs.

Several attorneys were present appealing for more adequate court room space in order to accommodate the large backlog of trial cases pending.

Hearing closed at 4:00 p.m.

Polly B. Johnson, Clerk

MERRIMACK COUNTY DELEGATION MEETING
Superior Court Chamber
Concord, N. H.

December 16, 1977

The Merrimack County Delegation met in the Superior Court

Chambers at 4:00 p.m. with the following members present: William F. Kidder presiding; Richard D. Hanson, Treasurer, Polly B. Johnson, Clerk, **Present**: James L. Foley, John P. H. Chandler, Jr., David B. Packard, Irene J. Shepard, Bernadette O. McNichol, Laurent J. Boucher, Vice Chairman, Judith Ann Hess, Doris J. Riley, John O. Cate, Edwin L. Waters, George R. Mullin, Eugene S. Daniell, Jr., Katharine J. Ralph, Stuart B. Trachy, Max D. Wivott, Kenneth M. Tarr, Wayne S. Rich, and Ernest J. Valliere.

Motion: Representative Daniell moved, Representative Hess seconded the adoption of the following **Resolution**:

Resolved, that, it being anticipated that at least three million two hundred thousand dollars (\$3,200,000) will be needed during the fiscal year ending December 31, 1978 to meet the demands upon the County Treasury, which there shall be insufficient money to meet, the Treasurer is hereby authorized to borrow not exceeding three million two hundred thousand dollars (\$3,200,000) in anticipation of taxes during said year pursuant to RSA 29:8. **Motion carried.**

Motion: Representative Tarr moved, seconded by Representative Valliere the adoption of the following **Resolution**:

Resolved, that until appropriations for expenses of Merrimack County for the year 1978 are made, departments and agencies are authorized to continue, in 1978, at rates of expenditures authorized for 1977. **Motion carried.**

An announcement was made by the Chairman that an Executive Committee meeting will be held Tuesday next, December 20, 1977 at 1:00 p.m.

Representative Wivott inquired as to the time for the County Delegation adoption of the budget.

Chairman announced January 30th as the time schedule for presentation of the Budget to the County Delegation.

Representative Arthur H. LaBonte's resignation from the General Court required a replacement on the Executive Committee.

Recess occurred for the Democrats to Causus to fill the vacancy.

Representative Daniell reported their decision to nominate Representative Stuart B. Trachy to the Executive Committee.

Motion: Representative Rich moved, Representative Hanson seconded that the delegation accept Representative Daniell's recommendation that Representative Trachy replace Repre-

sentative LaBonte as a member of the Executive Committee.
Motion carried.

Commissioner McKenna invited everyone to attend the Annual Christmas Party Monday evening at the Merrimack County Home. There will be a special dedication at 7:00 and hopefully those planning to attend will arrive early and participate in the Caroling through the halls.

Meeting adjourned at 4:15 p.m.

Polly B. Johnson, Clerk

- the treasurer shall issue his warrant to the several towns and cities in the county for this amount pursuant to RSA 29:11.
- V. Be it further resolved in accordance with RSA 24:14 that no transfers of appropriations shall be made between departments without the approval of the Executive Committee of the County Convention.
- VI. This resolution shall take effect upon passage.
-

REPORT OF THE MERRIMACK COUNTY COMMISSIONERS

Despite raw temperatures and a persistent drizzle on September 24, open house for the new 204-bed J. Kenneth McLeod wing of the Merrimack County Nursing Home, the turnout and the enthusiasm generated left no doubt that this was the county's greatest achievement in 1977. A crowd of interested visitors, distinguished guests and dedicated staff were on hand for speeches by the Commissioners and other officials, ribbon cutting ceremonies and tours of the new facility. The festivities were both an appropriate conclusion to over 20 months of planning, construction and extra-hours efforts by all those involved and a christening for a project which we feel adequately represents our commitment to the county's elderly. As a highlight, this project also received some national recognition when Merrimack County was presented with a National Achievement Award for "Housing for the Infirm Elderly" by the National Association of Counties.

In preparation for the expanded nursing facility, January of 1977 saw the completion and dedication of a County Wastewater Treatment Plant in Boscawen. This plant will serve a capacity of 500 patients; treating up to 87,000 gallons of water per day on a 365-day basis. We were fortunate in that 75 percent of the funds for this project were provided by the Environmental Protection Agency and 20 percent were provided by the N. H. Water Supply & Pollution Control Commission.

Not all the focus for '77 was related to the nursing home. In January, we opened the first full-time, fully-staffed county attorney's office in the county courthouse. The office is now better equipped to deal with current cases; has reduced the backlog; is providing more assistance to local police departments in criminal prosecutions and is more accessible to the public.

In August, a Civil Preparedness Coordinator was hired by the county with CETA funds. He is involved in developing a county-wide emergency preparedness program in conjunction with the state and our county's cities and towns; securing federal funds and surplus equipment for the use of municipal protection services and providing emergency training and assistance to the cities and towns.

August also marked the end of our struggle to obtain reimbursement from the State of N. H. for operating the Eagle Convalescent Center in Concord on their behalf during 1975 and early 1976. After over a year of joint effort between the Commissioner's Office and the County Delegation - and ultimately the introduction of a special

bill in the Legislature - by Representative William Kidder of New London, we finally received a check for \$254,045 in full repayment.

On a more somber note, the county experienced a substantial loss in 1977. Dr. Kenneth McLeod, who had served the Merrimack County Nursing Home faithfully as chief physician for the past 38 years, died in October. The new wing of the nursing home, appropriately dedicated to Dr. McLeod, will stand as a reminder of his service to the county.

Initiation of new programs, oversight of existing programs and oversight of the budgetary process are primary functions of the Commissioners. As such, we encourage communication between citizens and county government in our efforts to maintain a balance between cost, efficiency and services. Commissioner's meetings are held every Wednesday at the Administration Building and the Nursing Home, with special meetings scheduled when necessary. In the fall, public road hearings on the budget are held to give the public an opportunity to review and question proposed expenditures. In addition, as a special service to the citizens, we maintain a Speaker's Bureau to make officials of county government available to civic, educational and community groups to speak on county government. We urge the public to take advantage of these services and review the following reports to better familiarize themselves with the operations of county government.

**MERRIMACK COUNTY BOARD
OF COMMISSIONERS**

TREASURER'S REPORT

To the Citizens of Merrimack County,

Merrimack County has retained its triple A financial rating despite unemployment and inflation which have hurt the financial stability of other areas. A triple A rating is the highest rating a unit of government can offer investors in the bond market. It insures a sound, stable investment for buyers which in turn attracts favorable interest rates for county borrowing. Good management at both the county and local level have contributed to our sound financial status.

For your review, following is the annual report of our auditors detailing the county's income and expenses for 1977.

Richard D. Hanson
TREASURER

REPORT OF RECEIPTS AND EXPENDITURES

Board of County Commissioners
County of Merrimack, New Hampshire
County Court House
Concord, New Hampshire 03301

Gentlemen:

We have examined the financial statements of the various funds of the County of Merrimack, New Hampshire, for the year ended December 31, 1977. Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The County does not presently maintain a record of all its general fixed assets and accordingly, a statement of general fixed assets, required by generally accepted accounting principles, is not included in its financial statements.

In our opinion, the aforementioned financial statements present

fairly the financial position of such funds of the County of Merrimack, New Hampshire at December 31, 1977, and the results of operations of such funds for the year ended in conformity with generally accepted accounting principles applied on a consistent basis.

Respectfully submitted,
David L. Connors
Certified Public Accountant
JOHN E. RICH & COMPANY

NOTES TO FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies

The accounts of the County are maintained on the modified accrual basis of accounting with revenue not received and expenditures not paid being accrued at year end, except accrued interest on outstanding indebtedness, which is paid together with matured indebtedness from appropriations of the following year. Inventories are not recorded as assets but are expensed in the year acquired. Maintenance, operating and office supplies are not inventoried. For budget report purposes, capital expenditures for property, plant, equipment, renewals and betterments are expensed as incurred, as are expenditures for maintenance and repairs.

2. Pension

The County provides for pension benefits to substantially all employees through a contributory retirement system under New Hampshire law. The law prescribes the formula for computing retirement allowances and presently does not permit advance funding of pension liabilities. Retirement allowances are paid from County funding and employee contributions. Employee contributions constitute an annuity savings fund from which a portion of the retirement allowance is paid. Pension expense for the year totaled \$56,523, determined on an actuarial basis. The unfunded past service liability of the entire retirement system was approximately 19 million dollars (approximately 17 million dollars state liability) and is being amortized over a twenty-year period terminating in 1993. The value of vested benefits was not determinable.

3. New Two Hundred Bed Addition to County Home

On July 15, 1975, Merrimack County issued a \$5,500,000 Bond Issue at 6.00% Interest, repayable at \$275,000 a year over a twenty-year period commencing July 15, 1976. The proceeds of this bond issue were used to construct a two hundred bed addition to the County Home, which opened in the fall of 1977. An additional \$600,000 Bond Issue was issued on September 1, 1977, the proceeds of which will be used to renovate the old nursing home.

REPORT OF THE COUNTY ATTORNEY

The following is a statistical summary of the activities of our office in 1977. The greatest headway was made in the disposition of cases appealed from the district courts to superior court. The backlog of five hundred and ninety-two cases was cut to one hundred and fifty-seven cases. A comparable gain was not achieved in the felony cases where the backlog was cut by only two cases. The civil matters handled by this office and URESA actions continue to increase.

FELONY CASES

John C. Boeckeler
Merrimack County Attorney

REPORT OF THE MERRIMACK COUNTY SHERIFF

Having completed 8 years as Sheriff of Merrimack County, I am pleased with the progress the department has made.

The Merrimack County Dispatch Center continues to provide a telephone and radio dispatch service to several communities in the County, along with one ambulance service and two federal agencies. The dispatchers, both full and part-time, have been commended on numerous occasions for the outstanding service they have given.

In the last 8 years the workload in the complex areas of civil process and court responsibility has increased tremendously. We have had to employ at least four full-time bailiffs to maintain security and carry out the orders of the courts.

The overall responsibilities of the Sheriff's Office have increased considerably from the handling of daily transfers of prisoners to the solution of major crimes. We are always available to any town when assistance is needed and will continue to provide support to improve law enforcement services to all.

Education of our personnel has been a major goal in recent years. All members of the agency have completed the State certification requirements; and most recently, I have completed the National Sheriff's Institute held in Los Angeles, California. All full-time and Special Deputies employed in the department completed a special nine-week training session. This seminar was also open to and attended by interested jail personnel and other local law enforcement officers.

A special honor was bestowed on the Sheriff's Department this year when the Merrimack County Law Enforcement Officers named Chief Deputy Larry Thomas the Outstanding Officer of the Year.

Aided by the support of the Merrimack County Delegation, the Commissioners the County Attorney and surrounding law enforcement personnel, we look forward to continued progress in combatting crime and improving the criminal justice system in Merrimack County.

RONALD D. DANIELS, JR.,
SHERIFF

Swearing in of Deputies by Sheriff Daniels. (L to R) Sheriff Daniels; Deputy George Fitts; Deputy Bonnie Story; Deputy Dana Smith; Deputy David Eastman; Deputy Marie Cusson. (Rear) Deputy William Shackford and Chief Deputy Larry Thomas.

**MERRIMACK COUNTY OFFICE
OF EMERGENCY PREPAREDNESS**

In late August 1977, Merrimack County inaugurated the first county civil defense program in the State of New Hampshire. Previously the 234 towns and cities across the state were administered from the state civil defense office. With the introduction of the Merrimack County operation, the 27 communities within the county jurisdiction will receive the dedicated attention of a full-time office.

The goal of the Merrimack County Emergency Preparedness Office is the increased preparedness posture of the communities it serves. Our preparedness posture is our ability to cope with all disasters, natural or nuclear, and must consist of a plan to execute and an ability to mobilize resources. The newly developed Merrimack County Basic Emergency Plan does this by defining and planning for the use of local resources in a cohesive, readily-implemented manner to deal with emergencies. Resources have been identified and a communications system is being organized to put it all in motion.

Only four months old at the end of 1977, the Merrimack County emergency preparedness program has succeeded in increasing awareness of the disaster potential in our communities and the capacity, or lack of capacity, we presently have to cope with emergencies. The plans and programs of this office have already been of some immediate value to our county and can promise a future of increased aid and assistance.

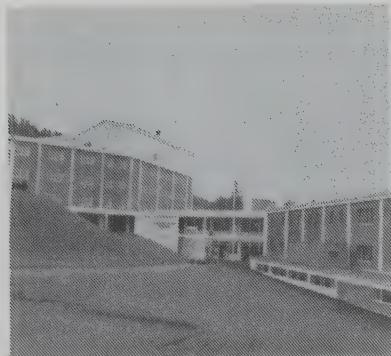

Justus D. Reynolds,
COORDINATOR

MERRIMACK COUNTY NURSING HOME

REPORT OF THE ADMINISTRATOR

To the Merrimack County Commissioners:

The Annual Report of the Merrimack County Home for 1977 is primarily concerned with the completion and occupancy of the J. Kenneth McLeod Building. It is, therefore, presented in pictorial form.

Standing quietly, the main entrance awaits the crowd that will officially open the J. Kenneth McLeod Building. With two years of construction work behind special thanks must be given to Richard Cadarette, Clerk of the Works. Through his guidance, the problems have been solved, the building is completed, and most important of all, a project was maintained.

Delegation Chairman, William Kidder, presents the flag to Commissioner Edna McKenna. Our thanks to the Delegation for its support of the staffing levels which have been established.

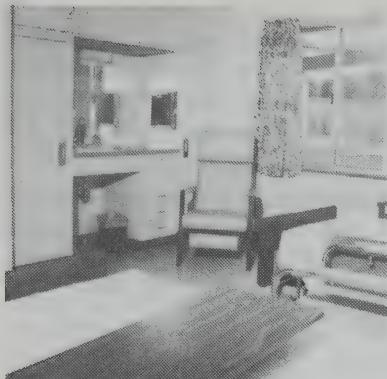

Architect, Guy K. C. Wilson, makes his presentation. Mr. Wilson's understanding of the needs of the patients does help in dealing with the various problems of such a large institution. Through his hard work, the functioning parts of the building have been completed.

Frank Cote of Harvey Construction, presents the symbolic key to Administrator, Robert F. Lethbridge. The working relationship with the construction company was excellent. Their understanding of the continuing needs of the patients and their willingness to fit the schedule around patient needs are hereby acknowledged. My thanks are offered to them for an excellent job.

Commissioner Albert Ayotte admires the plaque which is in the lobby of the new building. A study of the plaque reveals the building committee names to all these people who put in long, hard hours in the primary stages of this building. Thanks offered for such careful planning which gives to the people of Merrimack County a first rate nursing home.

Standing ready to receive the first patient, the Nursing Home staff has been provided with the finest of equipment to perform their tasks efficiently. The guarantee of the staff to the patients of Merrimack County is that the patients will continue to receive a high level of quality care which they have become accustomed to.

The dining room was enlarged and a new dining area added. Real special tribute must be paid to the dining room staff for their cooperation in maintaining a kitchen that for several months had no walls and continually presented problems of dust and dirt. Here, again, the finest of equipment has been provided so that we can keep up with the ever increasing dietary needs of the patients.

Finally, Dr. J. Kenneth McLeod cuts the ribbon and formally opens the new building. Dr. McLeod made his last public appearance in the dedication of the building. It was a fit closing for a long and distinguished career as the County Home Physician. Having gone from us, Dr. McLeod cannot present a personal part of this report, however, he is all of the report, as evidenced by the dedication of the building to him.

The Administration and Staff pledge to the tax payers of Merrimack County the most efficient and economical use of the nursing home you have provided, with an eye to every increasing concern for our patients. There is also a pledge to maintain and upgrade the quality of life for those to whom the key word and title is "HOME."

This report would not be complete without a word of thanks to Mrs. Mary E. Jelley, R.N. and Mrs. Marjorie Burris, R.N. Without their support, their insight, and the ability to communicate with the staff and patients, the completion of the new building would not have been possible.

Robert F. Lethbridge,
Administrator

REPORT OF THE MERRIMACK COUNTY HOME AUXILIARY

The Merrimack County Home Auxiliary has a membership of 35 members, with an average attendance of 18 members. We devote approximately 2,500 hours during the year to visiting patients and residents, making favors, making cancer dressing and working on fund raising projects.

The Auxiliary invites groups and organizations in the county to sponsor a Birthday Party each month for a collective celebration of monthly birthdays. Our thanks go to several granges, church groups and clubs for their cooperation. They provide entertainment, refreshments and cards for the patients and residents.

For various holidays during the year we made candy tray favors for all the patients and residents at the Home. At Christmas, the group baked about 3,000 cookies which we packaged and decorated with colorful ties and candy canes for distribution. Table decorations in the cafeteria, which are changed each month, are provided by the Auxiliary as well as other miscellaneous decorations such as the begonias on the cafeteria windowsills.

On the first Wednesday of December we hold a "Christmas Store." Merchants and friends in the county donate articles so that the patients can purchase gifts for their families and friends at minimal cost. Carts with gift items are taken to patients who are unable to leave their rooms, and purchases are gift wrapped upon request.

Some of the other activities in which the Auxiliary participated included a booth at the Hopkinton Fair, food sales, and helping patients attend activities at the Home. Some of our funds are used to provide a bus to take approximately 35 patients on a foliage trip to the White Mountains. In addition, this year the Auxiliary purchased a spinet piano and piano lamp; a mural for the back stage wall in the Recreation room and a Korean lilac which was placed at the Main Entrance in memory of Virginia Hutchinson, past Recreation Director.

The Auxiliary intends to grow, to keep up with the changes and increase in patients at the Home and we thank Mr. Lethbridge and his staff for their cooperation and support over the years.

Dorothy Stevens,
PRESIDENT

Walter Holder, First Baptist Church, Concord
Stephen Press, Concord Church of God
Lafayette Pinckney, Contoocook Baptist Church
Ralph Maxwell, Voice of Faith Chapel, Northfield

As in previous years, the chaplain held communion services the first Sunday of each month. Both the nursing staff and the recreation department cooperated in bringing residents who wished to attend to all services. When requested, communion services were also held at bedside by residents unable to attend chapel services. In addition, Mrs. Jean Henderson of the Recreation Department held Bible readings every Monday at 1:30 p.m., a practice which the chaplain hopes to continue in 1978.

At the ribbon cutting ceremonies for the official opening of the J. Kenneth McLeod Building, Catholic Chaplain Morrissette of St. Paul's Church, Franklin gave the dedication and Chaplain Lyons the benediction. The latter also offered the opening prayer at the annual Christmas party sponsored by the N. H. Business and Professional Women's Club at which a stained glass window for the chapel was given in honor of Mrs. Bessie Gray for her 40 years of service to the residents of the County Home.

CHAPLAIN**

REPORT OF THE PHYSICIAN OF THE MERRIMACK COUNTY NURSING HOME

The people of Merrimack County should look upon the Merrimack County Nursing Home with great pride. Their County Commissioners, legislative delegation and the nursing home administration and staff deserve credit for making this facility a reality.

The additions and renovations completed this year at the home, together with the skilled nursing care, daily visits by the attending physician and the physical therapy/recreational department, have gone a long way to eliminate the need for extended hospital treatment for the majority of our infirm elderly, saving the taxpayers thousands of dollars. Other changes in 1977 which have contributed to the increased treatment capacity of the home included contracting with the pharmacist to spend two days per week at the nursing home to give us better control of medication, and the employment of a full-time physical therapist, whose services have proven invaluable. Since we have no diagnostic facilities here, however, patients are transferred to New London Hospital, Franklin Regional Hospital and Concord Hospital for injuries, illnesses and when emergency treatment is required. Cooperation between the nursing home and the county's three hospitals and their staffs has been excellent.

The Professional Standard Review Organization (P.S.R.O.) of the New Hampshire Foundation for Medical Care started a practice of utilization reviews of all the patients in 1977. These reviews will be conducted two times a year to evaluate the level of care given in terms of the care paid for.

State and federal regulations continue to make procedural changes necessary which require more and more records and paperwork. Unfortunately, this takes away from patient contact somewhat.

In closing I would like to bring attention to the dedicated efforts of Mrs. Mary E. Jelley, R.N. and the late Dr. J. Kenneth McLeod for their many years of guidance and tutoring which have been so valuable in caring for our county's elderly.

Robert J. Morin, M.D.
CHIEF OF STAFF

**REPORT OF THE
MERRIMACK COUNTY FARM MANAGER**

There were no major changes in the farming operation this year.

In May we plowed and reseeded the land from the Jail to the Sewage Treatment Plant as this land had been all dug up when the sewage lines were installed for the Plant. The eight-acre field was planted with clover and alfalfa. This should produce a large amount of hay for the next few years.

We planted the usual amount of gardens. Although we had heavy damage from woodchucks on the cabbage and squash, the rest of the gardens did well. Because we planted an early and late variety of sweet corn, we were able to pick it daily for the home from late July to September. Potatoes also did exceptionally well this year: 1600 bushels were harvested from 2½ acres.

Our dairy herd showed another increase in milk production. We now have a 15,000 pound-per-cow milk production record according to our Dairy Herd Improvement records. The records also showed that the Merrimack County Herd had the largest production increase of any herd in the county over the last three years. Because of this increase in milk production, our bulk tank was not large enough to hold the extra milk. After submitting bids to six dealers, a new 600 gallon bulk tank was purchased and installed in June. The new tank is much easier to clean and it cools the milk much faster, giving us a much better product to market.

**Walter R. Lampron,
FARM MANAGER**

MERRIMACK COUNTY DEPARTMENT OF CORRECTIONS**REPORT OF THE CORRECTIONS ADMINISTRATOR**

In 1977 the Department of Corrections processed 512 inmates from various courts and law enforcement agencies throughout Merrimack County. There were 363 unsentenced males and females awaiting further court action. The House of Corrections received 149 court committed men and women. The average daily census was 18 for the House of Correction and 20 for the Jail.

Female offenders continue to pose a problem as the physical layout of the institution is not properly equipped to hold such offenders. The female census was up from 1976 by 11 inmates. In 1976, there were 22 female offenders confined and in 1977, there were 33 confined. We were able to transfer some to a neighboring county, thus eliminating the need for Matrons' supervision which is costly.

Plans are presently being made to make adequate professional space available for Dr. Morin. The Doctor is now required to hold sick call and conduct physical examinations in the Supervisor's Office. This area is very busy and with the telephones and radios, it is next to impossible to conduct the medical work required in this office.

A new Rehabilitation Coordinator, John Lord, was hired in 1977. Under his direction Merrimack County has instituted a work release program for inmates who earn it, which has been very successful to date.

My special thanks to the Corrections staff who have made every effort to carry out the high standards of Merrimack County.

William R. Potter,
ADMINISTRATOR

REPORTS OF COUNTY AFFILIATED AGENCIES

MERRIMACK COOPERATIVE EXTENSION SERVICE

The Cooperative Extension Service was established in 1914 as an informal educational system, the "off campus" educational arm of the Land Grant University (UNH) operating in every County and territory of the United States.

It is funded cooperatively with County, State and Federal dollars.

The Merrimack County office is staffed by six county agents: an Agriculture Agent; a Home Economist; two 4-H Youth Development Agents; and two Forestry Agents. In addition, County activities are supplemented by a State Poultry Specialist and an Area Dairy Agent, both housed in our County office.

The programs implemented by the Agents serve a wide segment of Merrimack County's population.

Educational programming and informational needs are determined by County residents, County Advisory Boards and the County Extension Service Council working with the County Agents and State Extension Specialists.

Technological information from the State University (UNH) and the United States Department of Agriculture (U.S.D.A.) is disseminated throughout the County by the Extension Agent team by way of educational workshops and courses, a weekly radio program, newspaper articles, 4-H Clubs and activities, Home Economics Community Groups and public programs, visits to farmers and woodland owners, newsletters and office visits—to name only a few. This reciprocal arrangement among Merrimack County, our University System and the United States Department of Agriculture results in a unique and effective service to County residents.

Merrimack County Extension programs are available to all persons regardless of race, creed, color, sex, ethnic background or economic status.

The Merrimack County Extension Service office is located at 21 Green Street, Concord, N. H. on the second and third floors.

VIRGINA CLARK

MERRIMACK COUNTY
EXTENSION SERVICE
COORDINATOR

**MERRIMACK COUNTY
DEPARTMENT OF EMPLOYMENT AND TRAINING**

The Department of Employment and Training (M.C.D.E.T.) during the calendar year 1977 served 998 individuals in the county through CETA. The Department expended some \$1,221,000 dollars on training and employment services through a grant from the Department of Labor under a contract with the N. H. Office of Manpower Affairs.

In training programs under Title I, M.C.D.E.T. served 312 individuals, placing approximately fifty percent in permanent positions. Almost thirty percent returned to school, entered the military or had other positive results from the program, while twenty percent were dropouts. The dropout rate during the last quarter, however, has dropped significantly to half the twenty percent of the previous three quarters. Approximately \$436,000 was spent for these services.

The Title I program for training has made significant progress in increasing Classroom Training opportunities for individuals while the On-the Job Training program has doubled its enrollment prospects for 1978. These two programs provide the participants on CETA with the academic skills and the job experience to become competitive members of the labor force in Merrimack County.

In Public Service programs (Titles II and VI), a total of 361 people were given jobs not to exceed one year. The program expenditures totalled \$621,000 for the year. Public Service positions were founded in many local towns, cities, county and state positions. M.C.D.E.T. also funded several school districts and a variety of non-profit community organizations providing service to the residents of Merrimack County.

In July, 1977, the County received an additional grant of almost two million dollars to provide public service projects funds to the public and non-profit agencies in the county. Over one hundred persons are now enrolled in this program with a projected enrollment of over two hundred by early spring. The purpose of the program is designed to give local towns, cities and non-profit agencies grants for up to one year to provide new services or expand existing services where funds are not adequate to meet the area's total needs. It is also designed to serve the long-term unemployed individual (over fifteen weeks) who has not worked due to the state of the economy and/or the market's inability to utilize a person's talents and

education.

The balance of 325 jobs were allocated to the Summer Youth Program for youth between the ages of fourteen and twenty-one. Approximately \$164,000 was spent on the program, which focused on training youth in the transition from school to work, and for those out of school it presented career options that would assist them in securing a permanent job.

The CETA program, overall, has served the low income, unemployed population of our county. During 1978, we anticipate that our funds will double and that we should provide an increased portion of our residents who meet the eligibility requirements with training and employment services. The final expenditures reflect an operational cost of \$163,000 or thirteen percent of all monies received. The balance of \$1,058,000 went directly to participants for training and employment salaries and allowances.

Daniel J. Seibert
EXECUTIVE DIRECTOR

CONCORD REGIONAL VISITING NURSE ASSOCIATION HOMEMAKER PROGRAM

During calendar year 1977, the Homemaker Program provided 7,919 hours of service to the residents of Merrimack County. Ninety percent of those service hours were given to senior citizens, who for various reasons are no longer capable of taking care of all of their personal and household needs. This service enables them to remain in their own houses rather than enter an institution, which most of our elderly do not want to do. The remaining 10 percent of services were given to families which were in temporary need of a homemaker because of hospitalization of a family member. Presently, the Program services 249 individuals and/or families. Homemakers carry out functions which include shopping, doing the laundry, preparing meals, light house-cleaning, running errands and giving some personal care.

During the last year we have been able to add one full-time Homemaker to our staff making a total of eight Homemakers for the

entire county. An additional full-time Homemaker position has been budgeted for the new program year.

The Concord Regional Visiting Nurse Association is grateful to the Merrimack County Delegation for their continued support of the County's Homemaker Program.

Gabriela Espenshade,
DIRECTOR

**CENTRAL N. H. COMMUNITY
MENTAL HEALTH SERVICES, INC.**

Central New Hampshire Community Mental Health Services, Inc. is a private, non-profit comprehensive mental health center serving Merrimack County. It provides Inpatient, Partial Hospitalization, Outpatient, twenty-four hour Emergency, and Consultation and Education Services. It also operates the Concord Development Center, a program for developmentally delayed infants and children, and a Resocialization Program for clients released from the New Hampshire Hospital.

Services are provided at the Central Office in downtown Concord and at three branch offices in Franklin, Henniker and New London. Services are also provided to inpatients at the Concord Hospital, Franklin Hospital and New London Hospital.

Fees for services may be discounted according to a client's income and size of family.

Reimbursement for services is sought from Health Insurance, Medicaid and Medicare.

In 1977 the Mental Health Center served a new high of 2,694 clients with direct therapy. Altogether, 31,398 units of service were provided in the various locations and programs. Problems treated included depression, anxiety, confusion, emotional crises, inter-personal problems and learning disabilities.

Services of the Center have been extended through contractual arrangements with Concord, Franklin and Kearsarge Visiting Nurse Associations. These home based services are a valuable extension of the regular treatment program.

Terje Reinertsen

**MERRIMACK COUNTY
RETIRED SENIOR VOLUNTEER PROGRAM**

The purpose of the Merrimack County Retired Senior Volunteer Program (RSVP) is to create meaningful volunteer opportunities for older county residents. It gives them a chance to participate more fully in the life of their communities so that once again they may consider themselves productive, needed members of society. The value of their activities to Merrimack County's non-profit agencies is inestimable. In 1977 alone, 351 RSVP volunteers contributed a total of 43,401 hours to 81 of the County's agencies. If we conservatively estimate the average value of their services at \$3 an hour, their economic worth to their communities totals \$130,203 in just one year!

Even more importantly, the County's older citizens are being offered a meaningful role in their community: an opportunity to return to something, rather than retire from something. Volunteer work lends purpose and meaning to their lives, thereby preventing or alleviating the problems of low self-esteem that so often accompany feeling of uselessness and emptiness.

Although volunteers are never paid for their service, RSVP is supportive of them in regard to transportation, meals, insurance coverage and recognition. The cost of transporting them to their volunteer work, or reimbursing those who drive, is skyrocketing. Although monetary restrictions have already curbed our expansion and outreach efforts, the County's increased support will allow us to continue most of our present services to the County's elderly.

If you know of any County resident over 60 who may benefit from involvement in RSVP or any non-profit group which may benefit from the varied services of RSVP volunteers, please help them by giving us a call at 224-3452.

Judith Ann Hess
DIRECTOR

COMMUNITY ACTION PROGRAM

The Community Action Program continued to provide a wide variety of services to residents of every town and city in Merrimack County in 1977. Services were provided through a network of outreach offices located in Concord, Franklin, Suncook and Warner, with additional outreach office hours being held in nearly every town as demand warranted.

There were over 14,000 participants in Community Action programs which included: Elderly Nutrition, Meals-on-wheels, Head Start, Day Care, Summer Youth Recreation, Rent-a-Kid, Carpentry Training, Shopping Assistance, Family Planning, Information and Referral, Housing Assistance, Fuel Loans, Winterization, Food Stamp Assistance, Operation Green Thumb and Transportation and Food Buying Clubs.

In addition, two major programs were started in 1977. One, Rural Home Repair will furnish home repair services averaging \$800 in materials cost for approximately 19 houses of low income families each year for three years. The other, the Senior Companion Program, provides income assistance for needy senior citizens and visiting services to homebound and institutionalized persons. A total of 84 Merrimack County residents received visiting services, and 27 Merrimack County senior citizens participated as volunteers.

The Meals-on-Wheels program and senior citizen transportation programs are of particular interest to Merrimack County. Approximately 21,000 meals-on-wheels were served to Merrimack County senior citizens. This was an increase of approximately 3,500 meals over 1976. In addition, the congregate meals program served nearly 31,000 meals during 1976 - an increase of nearly 9,000 meals. A new Meals-on-Wheels route was established this year in Concord and the Franklin area route was expanded to serve Andover. As for the Senior Citizens transportation program, the Merrimack County rural routes, which link the smaller towns to Concord, provided over 7,000 trips to Merrimack County senior residents. The Franklin Intra-City route provided over 5,000 trips. Senior citizens use these routes to go to medical appointments, shop for food and numerous other activities that contribute to an active life.

Community Action is grateful for the direct support and the

cooperation of Merrimack County in providing services to the people of Merrimack County.

Richard E. Kelley,
EXECUTIVE DIRECTOR

MERRIMACK COUNTY CONSERVATION DISTRICT

The Merrimack County Conservation District has been promoting conservation programs and providing technical services to landowners and users in the county for the past 31 years. The program is geared to offering on-site technical advice and assistance for the planning of proper land use to prevent soil erosion and drainage problems.

This past year over 400 on-site investigations were made by Soil Conservation Service technicians in assisting individuals with solving one or more conservation problems. Some thirty farm owners were assisted with the development of complete conservation plans for their property.

These plans include the necessary conservation measures needed to protect and improve the land resources to meet the owners needs, as well as measures to protect our soil resources for future generations.

A number of towns required and received technical assistance with soil and water resource information. In addition, the towns of Hill, Northfield and Franklin were given on-site technical assistance

with specific drainage and erosion control projects.

County funds used for secretarial purposes have enabled the district to further fulfill its role of service to residents of the County. This financial support, together with countless hours of voluntary work by the 5-member supervisory board, has resulted in a greater awareness of the need for conservation of the soil and water resources in Merrimack County.

HISTORY:

The Merrimack County Nursing Home has been in existence since approximately 1870.

In 1890, the first residents were accepted in the present complex. In the early 1920's, the series of additions was begun. Continual work was done through the middle 1930's. In 1965, an ongoing program of renovations was begun. A new Laundry/Boiler room was completed, followed in 1967 by a new kitchen, Dining Room, and 68-bed addition.

The early 1970's saw the Boscawen water supply brought to the building. In 1975, the North Branch was completed and in 1977 the 200-bed J. Kenneth McLeod addition.

The nursing home, as it is now known, began as the "poor farm" where debtors were sent to work off their debts. It is now a first-class nursing home, presenting a total range of programs so that the residents and patients receive the best of physical, mental, and spiritual care.
